ONE COPY—ONE CENT.

Rev. L. H. Tipton of East Fifth street has been a victim of rheumatism for several days.

Mr. Charley Schenault of Cincinnati, O., was the pleasant guest of Mr. and Mrs. L. H. Tipton of East Fifth street yesterday.

You may draw that \$20 in gold at Rink tonight.

Today is the last day for the payment of February 1st gas bills.

The Banks of Maysville will all close next Friday in honor of Lincoln's centennial birthday.

Geo. Addison White, former member of Congress from the Eighth Kentucky District, died Thursday at his home at Huntsville, Ala., aged 85. He had devoted himself to farming in the South for the past several years.

## A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia, pains, to write to her for a home treatment which has repeatedly cured all of these tortures. She feels it her duty to send it to all sufferers FREE. You cure yourself at home, as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. SUMMERS, Box 11, South Bend, Ind.

THE LEDGER leads in all, and is the favorite paper of the people.

## WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpelde.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him?

It is every bit as foolish to try to get rid of dandruff and to prevent baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Growers.

Newbro's Herpelde is successful because it attacks and kills the parasitic germ which feeds on the hair roots.

It is the original and only genuine scalp germicide manufactured.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpelde Co., Detroit, Mich.

TWO SIZES—50c. and \$1.00

### DEATH'S CALL

Fa. A. Captain Passes

During the Civil War he was foreman of Federal provision wagons in Kentucky. At the close of the War he came to St. Louis and became a ship-repairing contractor. In 1876 he became a captain and ship carpenter in the Federal Engineering Department. During the high flood in the eighties he won fame in rescuing thousands of people whose homes were inundated. Again in 1903 he did similar work. In the last eight years he was engaged working between the Missouri and Ohio rivers.

**CHILD BURNED TO  
DEATH IN CRADLE**  
Sparks From Log Fire Ignite Cov-  
ering in Mother's Absence  
From Room

SHARPSBURG, Ky., February 5th. William,  
the one-year-old son of Mrs. Elna Perkins,  
was burned to death this morning by a spark,  
which set fire to his coverings. He had been  
left by his mother in his cradle in front of an  
old-fashioned fireplace with a roaring fire of large  
logs. When found life was extinct and the  
body burned beyond recognition. The chair  
nearby was destroyed, but the house was saved.

**"THE WITCHING HOUR"**  
Charming and Realistic Play—A  
Triumph in Dramatics

Last night, at the Washington Theater,  
Maysville people were given an opportunity of  
witnessing the very highest order of the first-  
class modern American drama. "The Witch-  
ing Hour," by Augustus Thomas, the second  
Shubert attraction to visit Maysville, scored a  
triumph in settings, acting and realism never  
before exceeded or even equaled in our local  
Opera-house.

The scene is laid in Kentucky and is built  
upon love and politics, with the Goebel-Taylor  
Governor tragedy as the theme. The play is  
so masterly written and the plot so mysteriously  
woven with truth and home realism that when  
the curtain fell one is fully satisfied, yet  
the mind is still charged with wonder at the  
thing.

Story last night is a revelation of the  
workings of Kentucky politics and of  
a high-class sporting society, with-  
out the usual horseplay of bloviating Kentucky  
Colonels, horse racing, pistols and coffee.

The stage furnishings, paintings, etc., were  
very effective and beautiful, and what with the  
charm and realism of the historic Kentucky  
story and the inspiration of the able author,  
the memory is impressed with a morale and a  
sermon which is certain to sink deep into the  
minds and hearts of every person who may be  
elevated by a play worthy of the name. Mr.  
Charles Mallet as "Justice Prentice" was the  
ideal Associate Justice of the Supreme Court,  
while the leading man, Mr. Howard Gould, and  
Miss Eleanor Barry, in the leading female role,  
were at their best and filled every feature of  
stage work.

**THE CONSTIPATION EVIL**

Is Responsible For Most Cases of Piles  
Constipation paralyzes the blood vessels of  
the lower bowel and often causes piles. Wom-  
en and all other indoor workers are the most

needed—internal treatment to strengthen the  
flabby veins and start pure blood circulating.

ries gas from the Pike County fields to Cin-

**WHAT THE KIDNEYS DO.**

Their Unceasing Work Keeps Us  
Strong and Healthy.

All the blood in the body passes through the  
kidneys once every three minutes. The kidneys  
filter the blood. They work night and day.  
When healthy they remove about 500 grains of  
impure matter daily; when unhealthy some  
part of this impure matter is left in the blood.  
This brings on many diseases and symptoms—  
pain in the back, headache, nervousness, hot,  
dry skin, rheumatism, gout, gravel, disorders  
of the eyesight and hearing, dizziness, irregular  
heart, debility, drowsiness, dropsy, deposits in  
the urine, etc. But if you keep the filters  
right you will have no trouble with your kid-  
neys.

Frederick Dressel, 1238 East Second street,  
Maysville, Ky., says:  
"I consider Doan's Kidney Pills a most ex-  
cellent kidney remedy, and I am only too glad  
of an opportunity to speak in their behalf.  
About five years ago I was bothered by kidney  
trouble. The kidney secretions were attended  
with much pain during passage and were very  
irregular in action. Severe pains across the  
small of my back were of frequent occurrence  
and at times greatly interfered with my work.  
A friend advised me to use Doan's Kidney Pills,  
as he had taken them for a similar trouble with  
the best of results, and I procured a box at J. J.  
Wood & Son's Drugstore. I used them strictly  
according to directions and they afforded me  
prompt and effective relief."
